PERFORMANCE NOTES

This delightful folk song lullaby is of Ladino origin. Ladino is a Judeo-Spanish Romance language of Sephardic Jews, based on old Spanish and written in Hebrew script.

This arrangement may be performed in either Ladino or English. The English text used in this arrangement is not a direct translation of the original Ladino words, but rather an attempt to capture the peaceful nature and style of the music. A more direct translation of the full original Ladino text follows below, as well as a phonetic pronunciation of the words used in this arrangement:
